Gentlemen:-

Noting your notice of interest due on my loan of \$1.500 on Sept 30th.

Times are fierce in this section. No money to be had and no sales of property. I have a large lot of realty but cannot sell the same or hardly pay taxes on it. I have much to pay in way of taxes and write to see if you could increase this loan \$300 and from this sum take the \$90 interest due, and let me have the balance of \$210 to meet my taxes?

I am now 77 and for the past year have had heart trouble and being hard pressed for money does not help my trouble. But I see no way but to keep digging away and hoping for a change in financial conditions hereabout.

Please let me hear from you soon as to this addition to my loan. If it can be made send on the necessary papers.

Truly yours
